# Finance Committee increases assembly program allotment

The assembly committee for next year has been allotted \$550 to use in an effort to present better assembly programs. These funds will act as a supplement to those annually received from other sources.

According to Mr. Ralph Behling, committee chairman, this was one of the changes made by the finance committee in determining the 1960-61 budget.

Next year the committee plans to present outstanding lecturers and performers to the college audience at evening assemblies. Attendance will not be required.

OF THE TOTAL budget of \$30,802, the largest share goes for athletics — \$15,475. Other major expenditures will be: Homecoming, \$1,500; social committee, \$2,715; spring musical, \$1,325; Wenonah Players, \$1,868, and "Winonan," \$3,100.

Some increases have been made, now giving \$300 to the chorus and \$400 to the Warriorettes. The Radio Guild will receive \$35 for the first time, but the community concerts and the senior dinner will

no longer be subsidized. It was decided to cut support of the concerts in order to have more money for our own assemblies. The senior dinner will be paid for by those attending.

The budget has been projected to the \$30,802 figure on the basis of a 10 percent increase over current enrollment at WSC. There will be no increase in fees because the state legislature has not voted an increase. All five state colleges must be increased simultaneously.

REQUESTS for funds exceeded the amount of income expected for next year by about \$5,000. However, "This budget was adopted unanimously with all members of the committee present," said Mr. Behling.

Unused portions of the money allotted organizations do not revert to the state of Minnesota, he pointed out. They are pooled into the general budget and are at the disposal of our president with permission from the state board.

Members of the finance committee equally represent the students and faculty.

## Sigma Tau Gamma, social fraternity, installed at WSC

Beta Xi chapter of Sigma Tau Gamma fraternity, the first national social fraternity at Winona State and the first at any state college in Minnesota, was installed at a formal initiation at the YMCA May 7.

Beta Kappa chapter of the fraternity from La Crosse State College acted as installing chapter. Election of officers followed initiation of 26 charter members. Because of prior commitments, 14 other chapter members were unable to attend and will be installed later.

NORMAN JOHNSON is the chapter's first president. Roger Reupert is secretary.

Miss Gertrude Finch, patroness of the Winona chapter, gave a reception at the college for members of both chapters and the WSC faculty at 4 p.m. Saturday.

THE BETA Xi charter was presented that night at a banquet at the YMCA, attended by both chapters and several guests.

Seated at the head table were Paul Pfeifer, president of Beta Kappa chapter; W. Warren Barberg, Eau Claire, Wis., president

of Sigma Tau Gamma fraternity; Dr. Nels Minne, WSC president, and Mrs. Minne; James W. Jonen, Eau Claire, chapter service secretary and master of ceremonies; James Voorhees, WSC swimming coach and guest speaker, and Mrs. Voorhees; Mrs. Marguerita Ritman, dean of women; Miss Finch, and Johnson.

Robert Jones, faculty adviser for the new chapter, was unable to attend because he was on a track trip.

Beta Xi chapter is the 50th chapter of Sigma Tau Gamma, which has chapters in 15 states. Ten were added this year.

IN ADDITION to Johnson and Reupert, the following were installed as charter members: Glen Johnson, Donald Klagge, David Stover, Warren Hull, James Sullivan, Bernhard Pieper, Gary Grob, Gaven Grob, Robert Renslo, George Griffith, Roger Helgerson, Lyle Helgerson, Eugene Lundberg, Darrell Bearson, Keith Farber, David Marquardt, Robert Scott, Keith Ault, Jon Parker, Robert Tryggstad, Harry DeWald, David Benson, James Vinar and Gerald McCartney.

PURPLE KEY . . . New members of the Purple Key, scholastic honor society at WSC, are left to right, seated, Helen Maki, Joan Huttala and Marcia Best; standing, Marilyn Han-

son, Judy Bauch, Robert Lee, Verda Kay Strand, Richard Kamla, Michael McCormick and Kay Way. (Daily News photo)

## Rhythm Masters to give spring jazz concert

The Rhythm Master's annual spring jazz concert, directed by Fred Heyer, will be presented free of charge the evening of May 25.

Music for the occasion is provided by a grant from the Trust Funds of the Recording Industries obtained through the cooperation of Local 453, AFM.

Records cut by the band in April have just been released, Mr. Heyer announced. A limited number of the records are available and may be obtained by contacting him.

## Task force recommends five points

Five chief recommendations were made at a state college task force hearing at St. Paul May 11 by a group that studied Winona State College.

- They were:
- Lightening of the faculty load.
  - Automation of records as the college enrollment grows.
  - Acceleration of the building program.
  - Added services in the educational program by the central State College Board office.
  - Division of the state into areas for student teacher assignment and off-campus classes. The State College board took action earlier on this recommendation.

Representing WSC at the meeting were Dr. Nels Minne, president; Edward Jacobsen, librarian, and Harold Murck, business manager, and John Fitzgibbon, a public member of the task force. Other members included Norman Schellhas, Richard Callender, A. J. Anderson, Sen. J.R. Keller, Reps. John McGill and Donald McLeod, Mrs. Maurice Mariner and David Mahlke.

## Start brushing up on your Norwegian

You may find the next edition of the "Winonan" a little difficult to read.

The staff hopes that you won't think we've been replaced by "foreigners," or that we've lost our minds.

You see, it'll be our "Norwegian issue," and almost all of the copy will be in the language of that country.

It's one of the exchange pro-

jects with the Oslo Laererskole and is being printed primarily to tell the students there about Winona State and us.

However, the staff thought you'd like to see it, too (there are 54 pictures). You can expect it about May 23, giving you more than a week to arrange a good translator. We'd suggest Miss Bjorg Rinvold, graduate student from Oslo who is edition editor of the next issue of the "Winonan."

## Rev. Fenwick baccalaureate speaker

The main address for the baccalaureate service on May 29 will be presented by the Rev. Robert D. Fenwick.

The WSC chorus will furnish a musical background with a scripture reading by the Rev. Edward W. Gebhard, minister at the McKinley Methodist Church.

The Rev. Fenwick, priest-in-charge of Grace Episcopal Church, Montevideo, Minn., was graduated from Lincoln H.S. in 1948 and received his bachelor of science degree with special honor from WSC in 1953. Following service in the U.S. Army, he went on to receive a bachelor of divinity degree from Bexley Hall, the divinity school of Kenyon College, Gambien, Ohio. He was ordained to the Diaconate in St. Mark's Cathedral, Minneapolis.

WHILE A STUDENT at WSC, he ministered from the pulpit in Immanuel Church, Rushford. During his army service he served as a minister at Bisbee and Tombstone, Ariz.

## Alumna publishes songs in magazine

Words and music for two songs by a Winona State alumna have been published in the May issue of "The Instructor" magazine.

Mrs. Elaine Nienow (B.S., '49) is the author of "The Animal Band" and "Duck Boats." At present she is music supervisor in the elementary and junior high schools at Plainview, where she teaches Spanish in the senior high school.

The Rev. Robert D. Fenwick

ing his army service he served as a minister at Bisbee and Tombstone, Ariz.

The Rev. Fenwick was ordained to the Sacred Order of Priests in the Protestant Episcopal Church of America Dec. 21, 1959.

## Mason Music Club elects officers

The Mason Music Club installed new officers for 1960-1961. They are: President, Carole Richardson; vice-president, Joe Fitzgerald; secretary, Judy Newman, and treasurer, Roger Kline.

FRATERNITY GETS CHARTER . . . Beta Xi chapter of Sigma Tau Gamma fraternity received its charter at installation ceremonies May 7. Left to right, principals are Paul Pfeifer, president of the La Crosse State College chapter; Norman Johnson, Beta Xi president; Dr. Nels Minne, WSC president, and W. Warren Barberg, Eau Claire, Wis., national president. (Daily News photo)

## Done any revolting lately? Here are some suggestions

Doing limited reading, but enough to notice the trend, this writer has established that the revolts taking place in the world have been started, propagated and continued by students. Yes, indeed, students — not Khrushchev, Luther King or Fidel Castro — but students.

Now admittedly (rather shamefacedly at times), this writer is a student, but he hasn't participated in any revolts, and, of course, one cannot have lived a full life without participating in a panty raid or a revolt. But since panty raids are no longer the vogue, the writer must choose (in our conformist society) to conform to the norm and engage in a revolt.

**THE FIRST STEP** is to determine what to revolt against. The second is, of course, to organize a revolt, and the third is to revolt. The fourth is to locate a good lawyer and bail; the fifth, money to fix the jury or judge; the sixth, to escape from the detention center; the seventh, to read the Bible and become a pacifist; the eighth, to appeal; the ninth, to appeal again; the tenth, to write a book or two. And the eleventh is either to die for your misconduct or to acquire your freedom from the mental hospital by proving you are sane enough to participate in another revolt.

This writer is not primarily concerned with the last ten steps, since he feels he has nothing to revolt against. However, those of you who are presently revolting against studying (which we find pretty revolting too) and thus have plenty of time for extra-curricular activities may care to cast your eyes over the following list of likely subjects to revolt against, printed here as a public service.

### TAKE YOUR PICK:

1. President Eisenhower's golf playing. (This however, is an election year — he won't engage in too much golfing. Furthermore, there may be too much opposition from fellow students.)
2. A revolt against all haters of Fidel Castro.
3. Capitalism.
4. Widening of Broadway.
5. Parents.
6. Marriage (This appears to be a rather trite revolt.).
7. Philip Wylie.
8. Segregation (Also trite.).
9. Slater Food Service.
10. The student commission.
11. Jazz and booze or W. C. T. U. (Choose one.)
12. All lovers of Bach.
13. "Mad" Magazine.
14. School.

This is only the beginning of a long list of controversial issues against which one could revolt.

**OH, YES!** We must remind those of you who are under 21 and have no I.D. card that you must acquire a parent permit slip in the business office and duly submit it to the proper officials.

## Jazz by Gernes

By Bill Gernes

It is most enlightening to know that at least one person in school reads this column, even if it is critically done. Better to be read and criticized than not read at all.

I feel obliged to offer some retort to Mr. McCormick's column of May 6, in which this column (maybe justly so) was criticized.

If the back issues of the "Winonan" are read, it will be found that musicians such as Dizzy Gillespie and Duke Ellington have been discussed. If these two men are not of the modern school, a great many people have been disillusioned.

**MY FIRST LOVE** was and still is traditional jazz and blues. It has taken time but I have developed a very sincere liking and respect for modern jazz and those who play it.

It is my purpose to discuss all types of jazz, but not being perfect, my feelings have some influence upon what I write. Being weaned on traditional jazz I harbor a liking for that which leans toward hot.

Dave Brubeck, on the majority of his recordings, is not hot. His music is what I would class as cool chamber jazz and it seems to have the strange effect of appealing to people who have never before liked jazz. This suggests one thing to me and my sentiments remain the same.

**AS FAR AS** Mr. McCormick's moral goes, I agree that one should read and listen in order to form his own opinion; but if no one wrote his opinion, there would be very little written to form an opinion from.

Dave Brubeck had not attained the degree of success and popularity that he seems to have acquired by being a good jazz musician. His success is based upon his showmanship. His pieces are

swinging, classically slanted little ditties that appeal to those who can't follow true jazz but feel that to listen to it is the socially acceptable thing.

**NOW THIS** in itself is not completely wrong, since he does give his listeners some appreciation and contact with true jazz through his sidemen, some of whom are very good jazz musicians. The unfortunate aspect is that so many people are led to believe that complex and thumping finger exercises are an integral part of jazz.

### I've got my eye on you, friend

Some time ago, the Winona "Daily News" published some statistics to prove how hard it is to find anybody to work.

Especially do they prove how hard it is to find someone to work on a newspaper — this one in particular.

**NO DOUBT** the statistics are as reliable as most of those you read every day.

They show why we need extra help:

POPULATION BALANCE SHEET	
Population of United States	175,000,000
Population over age 65	57,300,000

**SPRING PROM** — Luminous Mondrian panels in red, blue and yellow set off with white and black bands provided the modern decorative theme for "Fantasia," WSC's Spring Prom, last Friday evening. Left to right, dancers are Marilyn Schroeder, Gary Grob, Sharon Allen, Junior

Lager, Mrs. Nels Minne and Dr. Nels Minne, president. More than 300 attended the season's biggest social event, with dance music provided by the Jules Herman orchestra. (Daily News photo)

## Modernistic theme for Spring Prom

Brilliantly-colored panels in the style of the Dutch contemporary painter, Mondrian, formed the setting for the modernistic theme of the Spring Prom, "Fantasia."

More than 300 attended the prom, sponsored annually by Alpha Epsilon chapter, Kappa Pi, national art fraternity. Dance music was provided by the Jules Herman orchestra.

**WALL PANELS** in red, yellow and blue contrasted with white and black bands to make the background. White candles in crystal candelabra, Hopa crab and white apple blossoms, revolving overhead mobiles in free form patterns and three-color dance programs carried out the modernistic theme.

In the receiving line were Dr. and Mrs. Nels Minne, Dr. and Mrs. Daniel Hoyt, Mr. and Mrs. Maurice Mariner, Mr. and Mrs. Frederick Jederman, Mr. and Mrs. Edward Jacobsen and Mr. and Mrs. Ralph Behling. Chaperons were Dr. and Mrs. Harry Jackson, Mr. and Mrs. Joseph Emanuel, Mr. and Mrs. Earl Shoemaker, Mr. and Mrs. James Voorhees and

Mr. and Mrs. Carroll Hopf. Guests and students were received from 9 to 9:45 p.m. in the Smog.

Prom co-chairman were Doris Jick and Rhoda Esson. Miss Florretta Murray was faculty adviser.

## Business Club has picnic and tour

The Business Club planned to elect officers at its picnic at Merrick Park Tuesday.

About 20 students went on the club tour to General Mills and Minnesota Mining in the Twin Cities May 6 and saw IBM computers in operation at both companies.

## Why an activity ticket?

"What? Are we having the Prom in the Smog again?"

Sound familiar? Well, it is the usual complaint heard around this time of year. Is this complaint justified? It might surprise you, but the answer is **no!**

Stop and think a moment. Just why is the Prom held in the Smog every year? Is it because of lack of space? **NO! IT IS BECAUSE OF LACK OF MONEY!**

Did you know that without the activity ticket we could have no Prom at all? So you don't like the activity ticket because it costs you 30 dollars a year. Well, fine, but then who pays the college's expenses for the events it puts on every year?

**IT COSTS THIS COLLEGE \$34,456.52** this year to help sponsor events that the college student wants. Surprising but true. Split up, it goes something like this:

Administration (plus student help)	-----\$ 1,156.78
Health service	-----5,261.70
All dances (Homecoming, Prom, etc.)	----3,193.58
Assemblies, films	-----450.35
Athletics	-----14,338.99
Publications	-----2,777.15
Clubs	-----883.59
Drama	-----1,061.33
Music	-----373.15

All these plus making up deficits incurred by various organizations come to this \$34,456.52 figure. Taking them one by one:

**Music:** Who pays for the fine swing band, concert band, chorus, and orchestra we have?

**Drama:** There are SOME students who like plays (If you didn't see "Teahouse," you missed something.)

**Clubs:** We have over 35 clubs, and all of them very worthwhile. Why not join one and see?

**Publications:** You can keep well informed by reading. The school paper is free to students. The yearbook costs four dollars, but gets only a \$400 appropriation from the finance committee. It makes ends meet only by sale to students. Too few students bought books this year. What happens next year?

**Athletic:** This takes the biggest share of the money, but it is the biggest program sponsored. With seven sports, there must be one you like.

**Assemblies:** Next year these will not be required. But for those who like variety (something besides Smog coffee on third hour Mondays) there will be some fine assemblies next year. As always, you pay for what you get.

**Dances:** You can't dance? Too bad! Why not come and enjoy the music? It may not be by Lester Lannin or Les Brown, but it is the best the fund can afford.

**Health Service:** So you gripe because you have to spend \$.50 for a polio shot. Try getting one at the clinic for less than four dollars.

So there! We are not the richest college in the U.S., to be sure, but we get by. You're still against the activity ticket? Then here's a suggestion: Go to a college where there is no activity ticket. St. Mary's doesn't have one. (However, unless you like paying \$800 a year for tuition and expenses, think twice)

**WHY NOT GIVE** the activity ticket a chance? College is not all studying. You have to have two sides: Educational and social. Take in a social event. You're paying for them. You just might like them.

## Unbeaten track team snaps records to win 6 dual meets

The Warrior collegiates snapped one track record and matched another as they downed Wartburg College at Waverly, Iowa, 89-42 May 10.

Frosh Hal Ferkingstad bested his own pole vault record set earlier this season in a meet with Carleton College. He cleared the bar at 12 feet, 6 inches. The old mark was 12-4.

Another freshman, Steve Reiferson, equally the WSC 100-yard sprint record of 9.9 seconds. Marvin Rouse shares the record, set in 1958.

The dual meet win was the sixth without defeat for Bob Jones' crew. Today the trackmen play host to Loras College of Dubuque, Iowa, at Jefferson stadium.

**TRACK COACH Bob Jones** dubbed the Warriors' dual meet win April 30 over La Crosse State College, 75-56, the first such win since 1934, "one of the most satisfying in my years here."

This win, coupled with some fine individual showings, marked the number one triumph of the season for the cindermen. Winona State had not lost a dual meet coming into the match against the Indians at Jefferson Field here. In addition to the three dual meet victories, the Locals have copped a quadrangular meet and finished second in a pair of triangulars.

Clar Brodt, a freshman from his opponents' home town, stole most of the individual honors, winning three events — the 120-yard high hurdles, the 220-yard lows, and the high jump.

Dick Anderson, WSC's distance specialist, captured the mile and two mile events. Tim Baxter won the 100-yard dash via a time of ten seconds flat. The relay squad took the only other running competition victory.

In the field, Lorry Gunhus and Gene Lundberg won the shot and javelin throws respectively. Marv Rouse took the broad jump.

**FOUR SPANKING NEW** track marks were entered into the all-

time school records following the Warriors' 72 1/6 - 58 5/6 victory over Carleton College at Northfield May 3.

Ped athletes crumbled old records in the 440-yard run, the 220-yard low hurdles, the mile relay and the pole vault in chalking up their fourth dual meet win in a row.

Steve Reiferson did away with a 1936 record by posting a time of 24.7 seconds for his second place finish in the 220-yard low hurdles. The performance bested the 25.6-second clocking turned in by Franzman of WSC in 1936.

Harold Ferkingstad pole vaulted 12 feet, 4 inches to crack the existing mark of 12 feet, set in 1959 by WSC's Pat Marren in the National Association of Intercollegiate Athletics meet. Ferkingstad just missed in an attempt at 12 feet, 8 inches. A 12-8 vault by Carleton's Cheseboro won the event.

**MARV ROUSE**, junior sprinter, outsped record-holder Dave Glazier in the 440-yard run to set a new mark. Rouse was clocked in 49.7 seconds, half a second better than Glazier's 50.2 mark, turned in during the 1959 season. Glazier finished second.

Rouse and Glazier teamed with Jim Slifka and Nyles Tolzmann to crack the school's mile relay mark. The time of 3:28.7 bettered a 3:30 clocking registered by the same team two seasons ago.

**Mile Run** — 1. John Modjeski (WSC); 2. Dick Anderson (WSC); 3. Corporan (W); 4:45.8.

**440-Yard Dash** — 1. Marv Rouse (WSC); 2. Dave Glazier (WSC); 3. Jim Slifka (WSC); 51.6.

**100-Yard Dash** — 1. Steve Reiferson (WSC); 2. Skay (W); 3. Tim Baxter (WSC); :09.9 (Ties school record.)

**120-Yard High Hurdles** — 1. Dave Cole (WSC); 2. Niemeyer (W); 3. Clar Brodt (WSC); :15.8.

**880-Yard Run** — 1. Nyles Tolzmann (WSC); 2. Dave Rislove (WSC); 3. Modjeski (WSC); 2:06.9.

**220-Yard Dash** — 1. Glazier (WSC); 2. Skay (W); 3. Baxter (WSC); :22.2.

**220-Yard Low Hurdles** — 1. Niemeyer (W); 2. Brodt (WSC); 3. Cole (WSC); :26.4.

**Two-Mile Run** — 1. Anderson (WSC); 2. Bob Scott (WSC); 3. Corporan (W); 10:19.3.

**Mile Relay** — 1. Winona State (Slifka, Tolzmann, Modjeski, Glazier); 3:28.7.

**High Jump** — 1. (tie) Brodt (WSC) and Schara (W); 3. Schmidt (W); 5 ft., 11 in.

**Broad Jump** — 1. Rouse (WSC); 2. Skay (W); 3. Niemeyer (W); 21 ft., 7 in.

**Shot Put** — 1. Lorry Gunhus (WSC); 2. Buckler (W); 3. Dave Livingston (WSC); 43 ft., 6 in.

**Pole Vault** — 1. Ferkingstad (WSC); 2. (tie) Ray Haworth (WSC) and Thomas (W); 12 ft., 6 in. (School record.)

**Discus** — 1. Wallin (W); 2. Hilgendorf (W); 3. Gene Comero (WSC); 129 ft., 5 in.

## Keep athletic heritage bright, advises McCown

"You have a great heritage. Keep it bright and untarnished."

That was the advice about athletics Dr. Luther McCown, Winona State College athletic director, presented to a group of about 150 high school athletes at the second annual sports banquet at Cochrane-Fountain City High School recently.

**THE NIGHT'S** speaker pointed out that Charles De Gaulle, now president of France, once said that if France had America's heritage in athletics and its physical education facilities, the nation would have no need of compulsory military training.

As McCown elaborated, he pointed out that the Soviet Union now is adopting and progressing on De Gaulle's statement by building a strong athletic development program — not for prestige alone, but to build, in addition to this, a heritage in athletics.

## Thinclads enter NAIA runoffs

Entered in the NAIA track runoffs last Monday at Mankato State were 13 Winona State thinclads, hoping to be among ten certified to enter the NAIA meet at Sioux Falls, S.D., June 3 and 4. These ten will receive a share of expense money.

Dick Anderson, who placed second in the NAIA 3,000 meter steeplechase in 1959 competed in the 5,000 meter run — nearly three miles — at Mankato.

**DASH COMPETITORS** were Steve Reiferson, Tim Baxter, Dave Glazier and Marv Rouse. John Modjeski and Bob Scott entered the mile. Dave Cole, Clar Brodt and Reiferson competed in the hurdles.

Harold Ferkingstad, holder of the WSC pole vault mark, entered that event. Rouse also competed in the broad jump and Brodt in the high jump.

Shotputter Lorry Gunhus and javelin thrower Gene Lundberg also participated in the runoffs, which drew entries from Minnesota and North and South Dakota.

Kosidowski clinched a brace of wins May 10 at Eau Claire State College. The victories ran Kosidowski's season streak to four triumphs against no losses.

"Kos", as he is called, started the schol year at Terrace Heights but then transferred here. He was ineligible for sports until last April 18 and has won all of his starts since then.

**THE WARRIORS** backed the young hurler with 5-3 and 4-3 victories. The first game he went all the way. In the nightcap he pitched the final two innings in relief of Don Behrens and Charley Weisbrod. The final game of the twin bill was scheduled for seven innings, but went nine.

For the game in which Kosidowski went the full route, he threw a neat four-hitter.

The nightcap saw him receiving a walk to open the bottom of the ninth, tied at 3-all. Arlan Klinder bunted for a base hit, and Lance Johnson's sacrifice moved the runners around to third and second. After Lowell La More was intentionally walked to fill the sacks, Jim Swanson drew the winning RBI via a pass and Kosidowski trotted across with the winning run.

**SWANSON** had a two-bagger and drove in three runs in the second game. Klinder had two safeties. In the opener, LaMore and

Bob Rogneby each had a pair of hits for the winners.

The Gate City squad under Joe Gerlach has won three and lost one in the Northern States College Conference loop and was 8-5 overall, through May 10.

## Track trip dropped for lack of funds

A scheduled Winona State College track trip has been cancelled due to lack of finances.

The school athletic department has announced that the thinclads' scheduled appearance May 7 at the Howard Wood Relays at Sioux Falls, S.D., was abandoned to provide a possible opportunity of accumulating an adequate amount of funds to send the tracksters to the conference meet and the National Association of Intercollegiate Athletics runoff.

**WINONA'S BUDGET**, as far as athletics is concerned, is lower than that of most other state colleges.

Since the trip to the Lower Dakota was cancelled, WSC should be able to field a team at Houghton, Mich., at the NSCC meet to be held there this Saturday.

Additional money for trips may be made available if another of WSC's spring sports squads cancels a scheduled road trip because of faulty weather.

## Golfers lose pair

The golf squad dropped its second meet of the season to La Crosse State 14 1/2 - 1/2 at the Wisconsin city's country club course last Wednesday.

Dave Feindt was the lone Warrior to score. He fired an 83. Medalist was the Indians' Tom Puls with a 77.

**IN AN EARLIER MATCH**, La Crosse defeated the local greenway roamers 13-5 at Winona's Westfield golf course. La Crosse's Puls and Ralph Connor shared medalist honors with 71's.

The golfers also tied Mankato 7 1/2 - 7 1/2 and were edged by Luther College at Decorah, Iowa, 8-7 in a double dual meet at Soldiers Field at Rochester. Bob Hoganson shot a 75 to finish in a three-way tie for individual runnerup spot.

**LOW SCORES** on both sides led golfing action last Friday at Westfield golf course as Winona State gained a 7 1/2-7 1/2 tie with Eau Claire State.

The visitors' Herb Brown shot a 69 for medalist honors, collecting an eagle three on the 540-yard seventh hole.

Rich Gabrych was low for Winona with a 73.

## Bill Ziebell quits as Chatfield coach

Bill Ziebell, a native Winonan and a graduate of WSC, has resigned as football and wrestling coach at Chatfield High School.

Ziebell, a football player at Winona in the mid-1950s, said his future plans are still indefinite.

He mentioned he has leads on proposals in California, either at a college or a prep school.

If teaching plans don't work out right, Ziebell intends to complete work on an M.A. in education at Colorado State at Greeley. He intends to finish by attending the Colorado school this summer and next fall.

## Close shooting with short shots

Nyles Tolzmann, senior trackman from Minnesota Lake, who assisted head coach Bob Jones with the school wrestling team last winter, will be the grappling mentor at St. Paul Park.

Gene Lundberg will be joining Tolzmann at the Twin Cities' suburban high school. Gene will assist Tolzmann and also will be assistant track coach. Lundberg starred as an end in football.

Glen Johnson has signed as head wrestling and track coach at Chatfield, where Bill Ziebell resigned the football and mat chores. The grid post at this southeastern Minnesota iron mining center is yet unfilled and a Winona Stater could possibly get this spot too.

## Board raises salaries, sets college areas

Establishing operating budgets for the state colleges for the new fiscal year beginning July 1, 1960, was the principle business considered at the annual meeting of the state college board May 9 and 10 at St. Paul.

Faculty members were given an increase of \$600 each for the nine-month salary under the authorization of the 1959 legislature.

**ANOTHER ITEM** of business was the establishment of geographic areas for the service of each of the five colleges in which to conduct off-campus classes and to place college seniors for off-campus practice teaching.

After considerable discussion, Winona's area has been set along the western line of Mower county, extending northward to the Dakota county line, where the border runs westward to highway 218 and extends north to the twin cities.

## WSC student, brother die in Lake Pepin

Victims of a double drowning accident on Lake Pepin May 7 were a Winona State College student and his brother.

Frederic C. Anderson, a freshman at WSC, and Glen W. Anderson, 40, Lake City residents, were drowned after venturing out on Lake Pepin in rough weather in a 15-foot fiberglass boat with an outboard motor.

The boat was sighted soon after the pair had set out, running empty. It had not tipped over.

Fredric Charles Anderson, formerly an Army paratrooper for four years in Germany and Lebanon, graduated from Pine Island high school in 1955 and attended St. Olaf College, Northfield, before enrolling here.

## Commencement speaker to be Verner Suomi

Dr. Verner Suomi, professor of meteorology at the University of Wisconsin, will be the featured speaker at the commencement exercises here June 2.

Professor Suomi graduated from Winona State College in 1938. After teaching for several years, he pursued graduate study at the University of Chicago. Following military service, he returned to Chicago and completed requirements for his doctor's degree.

At the University of Wisconsin he headed a team of researchers who were working on the instrumentation of satellites. These satellites are presently circling the earth and supplying meteorological data.

**ESPECIALLY** to be honored at commencement are five outstanding graduates of the college chosen by the citations committee as representative of the achievement of WSC graduates over the past four years. They will be given citations in recognition of their service at the conclusion of the degree-conferring exercise.

Also taking part in the program will be the college band and chorus.

**BECAUSE OF** the large attendance expected, commencement exercises will be held for the first time in Memorial Hall. Special arrangements for seating are now being made to accommodate the parents and friends of the graduates as well as the general public.

## Fraternity stages spring carnival in courtyard

Winona State College having fun — that describes the carnival staged in the courtyard of the dormitories by Sigma Tau Gamma fraternity May 4.

Among the novelty booths and events were pie throwing, a "marriage" chapel, dunk the clown, massage parlor, golf accuracy, baseball throw, basketball throw, dart game, bucking barrel ride, carnival jail and smash the auto.

**THE SPRING FROLIC** side-show included dancing girls, music and comedy. Among the numbers in the show were a can-can chorus composed of Minnesota Hoyt, Ann

Boyum, Ruth Ann Nord, Renata Walstrom and Ramona Childs, and a pantomime, "I'm Confessing," by Jerry Chandler and Robert Young.

Other offerings included a modern dance by Patricia Thomas, Hawaiian dances by JoAnne Yamamoto and Mildred Oyama, and a rock and roll number by Jon Parker and Fred Odell.

"Shelly Berman's Inside Shelly Berman" was offered by Robert Young, and the "Vagabond Sailor and the Sailorettes" by Tom Chandler and Ann McAllister, Ruth Brosseth, Betty Severson, Connie Eckhoff, Marlys Peter and Kathleen Berg.

**THE MONEY** earned from this carnival was used to help pay the fraternity's initiation expenses when the group was installed as the Beta Xi chapter of Sigma Tau Gamma fraternity.

Master of ceremonies at the frolic was Darrell Bearson. Carnival chairman was Don Klagge.

## 1959 annual rated second class by ACP

Last year's edition of the "Wenonah," college yearbook, has been rated second class by the Associated Collegiate Press.

Judged in comparison with other college yearbooks from colleges of approximately the same size, the annual received a rating described as "good" to "very good."

Mary Claire Thompson was editor of the 1959 "Wenonah."

## Former editor joins 'MEA Journal' staff

Miss Carol Brosseth (B.S. '59) has accepted the position of editorial assistant on the "Minnesota Education Association Journal" for the coming year.

She will be assistant to the "Journal" editor, Miss Bernice Gestie, and her office will be in the MEA Building, St. Paul. She will assume her duties August 1.

For the past year Miss Brosseth has been teaching English at Waseca High School, Waseca, Minn.

While at WSC she was news editor of the "Winonan," an officer in SNEA, LSA and the senior class, active in many other campus activities and a member of Who's Who.

## Named to Michigan education board

Miss Mary Neil, a graduate of Winona State, has been elected to the Michigan Education Ass'n. board of directors at Port Huron, Mich.

## Wenonah Players install officers

Initiated into active status as members of the Wenonah Players were 15 probationary members at a candlelight ceremony and banquet at the Winona Country Club May 4.

New active members include Howard Schwind, Mrs. Gil Boultinghouse, Robert Slifka, John Davis, Bruce McLean, Sue Roth, Rochelle Sparks, Paul Puck, Nancy Holman, Ann McAllister, Kathy Berg, Marlys Pater, Joan Waher, Barbara Bryn and Virginia Shiel.

**THE ROSE CEREMONY** was used for the formal installation of officers following dinner. Retired officers conducted the ritual.

New officers are: President, Clarence Crum, succeeding Norbert Mills; vice-president, Joseph Fitzgerald, succeeding Dale Karow; secretary, Carol Sherman, succeeding Evon Daugherty; treasurer, Randall Stukel, succeeding Don Schierholt, and head technician, Paul Puck, succeeding Clarence Crum.

**BRIEF TALKS** were given by new and retiring officers. The dinner program was concluded with a talk by Miss Dorothy B. Magnus, director of the college theater, who reviewed the year's activities. An evening of dancing followed.

Committees for the banquet were as follows: Dinner, Crum, chairman; Slifka and Fitzgerald; favors, Schwind, chairman; Davis and Miss Sherman; ceremony, Judy Bauch; place cards, Doris Jick, chairman, and Jane Drenckhahn, and publicity, Darrell Bearson.
